_____

The following questions are designed to help you provide the required information to the Distribution Committee and Foundation Board of Trustees. This is the information required by the Board's prudent grant decision process. In formulating your response, you may wish to refer to information in the companion document, "Policies & Guidelines for Funding Grants." Please answer each thoughtfully and completely, and feel free to use additional paper as needed.

1. Please state your mission or purpose statement and objectives:

_____
_____
_____
_____

2. Please describe in detail the proposed project/program, including the area(s) of need to be addressed and credentials currently offered in your training program.

_____
_____
_____
_____

3. Please share your anticipated outcomes of the program.

_____
_____
_____
_____

4. Please explain local industry and community commitments to support the program.

_____
_____
_____
_____

5. Will the project/program impact one or more PMPA Chapter? If yes, how?

_____
_____
_____
_____

By submitting this proposal, our organization commits to the following items:

Our organization will pursue all activities outlined in this proposal.

- ☐ I agree.
