Announcing PMPA'S 2009 Business Forecast Report

PMPA's recently published **2009 Business Forecast Report** is the culmination of this year's market research survey of over 100 job shops and contract manufacturers in the Precision Machined Products Industry. Data gathered on 16 major markets and 39 specific market segments provides a broad market picture of the various consuming markets for precision machined products. With actual sales figures for past and current years, as well as responding companies' projections for the upcoming year, sales trends of companies in our Industry to our major markets served can readily be identified. The **2009 Business Forecast Report** can provide your company with the business intelligence you need to understand the expected and actual change in sales to our Industry's major markets and market segments.

All survey participants received a copy of the **2009 Business Forecast Report**, and it is offered to PMPA members not participating in the survey at a cost of \$295 and to non-PMPA members for \$395. To purchase a copy of the **2009 Business Forecast Report** complete the order form below and return it to PMPA with payment. For more information, please contact: PMPA, 6700 West Snowville Road, Brecksville, Ohio 44141. Phone: 440.526.0300.
