

## OPTIONAL ROUNDTABLES

The Precision Machined Products Association's 2007 Annual Meeting offers extra opportunities to meet new people and establish business contacts. PMPA and the Precision Metalforming Association (PMA) have collaborated in developing our 2007 Annual Meetings at The Westin La Paloma Resort & Spa with several overlapping sessions:

- PMPA members are invited to participate in PMA's Executive Roundtables on Friday morning.
- PMPA's next generation participants (ages 21 – 35) are invited to participate in PMA's "Next Gen Frontier Bonfire" Friday evening.

If you'd like to attend one of the Roundtable sessions or, if you're part of the next generation of PMPA members and would like to attend the "Next Gen Frontier Bonfire," please indicate your interest below. The Precision Metalforming Association needs this information so that they can furnish accurate information to the hotel to assure adequate seating. While there is no charge to attend any of the Roundtable sessions, there is a \$90.00 per person charge for the "Next Gen Frontier Bonfire." Please include your check, **made payable to Precision Machined Products Association**, for each person attending.

### Roundtables – Friday, October 12

Session A (7:30 – 8:45 a.m.) Session B (9:00 – 10:15 a.m.) Session C (10:30 – 11:45 a.m.)

Guests will be picked up at the resort's front drive in open-air jeep scramblers and then head for the base of the Tortolita Mountains. The adventure will take you through some of the most beautiful desert regions in all of Arizona. Following the jeep adventure, you will dine in the desert as our ancestors once did and enjoy some good, old-fashioned competitions like tomahawk throwing and horse-shoes. (Note: For members aged 21 – 35 only.)

Please make copies of this form for each person attending a function.
