

EDUCATION FOUNDATION OBJECTIVES

The PMPA Education Foundation is a 501(c)(3) charitable organization formed for educational and research purposes related to the Precision Machined Products Industry.

Funds are currently available to assist in education and training activities related to the precision machining industry.

The Education Foundation began distributing grants in December, 2004, and in the past 10 years, has awarded 145 grants totaling nearly \$195,000.00 for training projects.

Since its inception in 2001, the Education Foundation Golf Outing at PMPA's Annual meeting has raised over \$220,000.00.

To learn more about the Foundation, contact the Precision Machined Products Association at (440) 526-0300 or visit the PMPA Education Foundation website:

PMPA 2015 EDUCATION FOUNDATION GOLF OUTING

As we all know, the most treasured asset of our companies are the people who work in the shop and make things happen on the production floor.

For many of us, a large number of these highly skilled machinists have and will be retiring in the next few years. Now, more than ever, it's time for us to commit additional resources to improve industry training initiatives and build the workforce of tomorrow!

One way to show your support is through sponsorship of the PMPA Education Foundation Golf Outing, the Foundation's largest annual fundraising event. The 2015 Education Foundation Golf Outing will be held on Sunday, October 25th, at Ka'anapali Royal Golf Course in Lahaina, Hawaii, during the Association's 82nd Annual Meeting.

There are several ways to participate. In addition to the four levels of sponsorship we have offered in the past, there is an additional new sponsorship level—Cart Sponsor. Remember, PMPA Education Foundation Golf Outing sponsorships are tax deductible. While we hope to see everyone in attendance at this year's event, you are not required to participate in the golf outing to be a sponsor.

On behalf of the PMPA Education Foundation Board, we thank all of our past sponsors and encourage those of you who have not sponsored to consider doing so for this year's fundraising effort. Please help the Foundation continue its support for industry training programs to create a more stable workforce and help us all succeed!
