

PMPA Automotive Industry Supplier Group

So much has transpired since the PMPA Automotive Industry Supplier Group met in February. Now is the time to come together and talk about the current issues facing our companies as members of the automotive supply chain.

We've assembled a strong line-up of presentations for the August 26th - 27th meeting in Detroit that will help shape your business plan for the remainder of the year. We'll also take time to talk about the real issues facing our businesses during the networking events.

Please accept this invitation and make plans to attend the August meeting of the PMPA Automotive Industry Supplier Group.

Cordially,

B. Scott Eighmy
PMPA President 2008-2009
Chief Executive Officer
