Dear PMPA Member:

The **2010 Congress of the Syndicat International du Décolletage** will be held in Chamonix, France, **September 13-16, 2010**. PMPA members are invited to participate as Delegates to the Congress. Members of the European trade associations in France, Germany, Ireland, Spain, Sweden and Switzerland will also attend.

See the enclosed block schedule of events. The host French association has planned a business meeting to discuss international conditions in our industry, a tour of a stainless steel mill, tours of three French precision machining companies and a visit to their technical training center. Spouses or guests are encouraged to attend and participate in the special guided spouse program. Delegates and guests are invited to attend receptions and dinners hosted by the French group.

Also enclosed is a registration form. If you plan to attend and participate in the 2010 Congress, you must complete the registration and mail or FAX return to my attention not later than **July 15, 2010**.

When you complete your registration form, *please note the amounts are in Euros*. PMPA will pay the French group all registration and hotel room fees for our group in advance by July 31 and we will invoice you for these fees after the wire transfers are complete and we know the exchange rate used in the transfer.

As noted above, hotel room reservation fees will be paid in advance. Attendees will be responsible for any incidental hotel charges and are expected to provide a credit card at the hotel for those charges.

Chamonix is close to Geneva, Switzerland. Most major airlines have service from the U. S. to Geneva. If you are attending the Congress, you should plan your travel to arrive in Chamonix by Sunday evening, September 12th. The first business meeting session will be Monday morning, September 13th. Note the registration form allows you to request transportation from the Geneva airport to the hotel in Chamonix.

We look forward to your participation. Please contact me ([mduffin@pmpa.org](mailto:mduffin@pmpa.org) / 440-526-0300) if you have any questions about the program or the registration process.

Very truly yours,
