The Strength of an Industry...

Lies in the hands of those who lead,
those who believe in the future,
those who actively participate in the present,
and those who are committed to the
growth of their trade association.

The Precision Machined Products Association
takes this opportunity to honor
the leaders of our Industry
and properly record their accomplishments.

On behalf of fellow members and the entire
Precision Machined Products Industry,
we extend our thanks and grateful
appreciation to these individuals for
their untiring efforts and commitment to our Industry.
