Darlene has been the voice of the industry as a member of the President's Job Council and also as a board member of the U.S. Chamber of Commerce. Darlene was a speaker at the 2012 PMPA Management Update Conference and will again present at the October 2012 Annual Meeting, so this will be a great opportunity for the Chapter membership to hear from someone plugged into what's happening related to our industry in Washington D.C.

PMPA Executive Director Michael Duffin provides the latest information on industry trends and key association programs and services. Take this opportunity to learn more about your association and how to maximize your dues investment.
