Plan on joining the Northern Ohio Chapter members for a special tour of the new Ganesh Machinery Midwest Technical Center in Cuyahoga Falls, Ohio. Ganesh Machinery is the leading provider of solutions in the manufacturing industry, and their new tech center is set up to be a full service facility for training, runoff, automation integration, turnkey applications, sales and service.

In addition to the facility tour and machine demos of mill turn technology and their vertical machining center line, there will be two presentations. Steve Blaha, Senior Applications Engineer with Ganesh Technical Center, will discuss Complex Turnkeys and Steve LaMarre, Director of Automation Sales with Ganesh Technical Center, talks about Standard Automation.

Refreshments and hors d'oeuvres will be provided during the break. There is no charge for this event; however, you must register to attend.

QUESTIONS: Contact JoAnn Wilson - Kerr Lakeside, Inc. 216-470-5590

WHO SHOULD ATTEND:

This meeting will be of particular interest to your engineers, foremen/supervisors, management and shop floor personnel. Please join us for this very informative and educational evening.
