As a major supplier to the automotive industry, you are invited to the inaugural meeting of the PMPA Automotive Industry Supplier Group. This forum will provide a unique opportunity to discuss a

wide range of issues, specific to automotive parts manufacturing.

In addition to our networking discussions, you'll receive the latest automotive business intelligence and legal counsel from trusted industry experts.

With so much at stake for our businesses and the future of the precision machined products industry in North America, your attendance at this session is crucial.

Please join me and your PMPA peers on February 10th -11th at The Westin O'Hare for this important Industry event!
