

Dear Precision Machined Products Industry Supplier:

You are cordially invited to take part in the **2018 PMPA Connecticut Chapter Suppliers Night on Wednesday, November 7, 2018**. Don't miss this unique opportunity to meet with many of the top contract manufacturers and captive shops.

Previous Suppliers Nights have drawn well over 125 attendees from across Connecticut and surrounding states. We invite both PMPA member and non-member screw machine/CNC shops and other similarly situated metalworking companies located in a 150-mile radius of Bristol, CT.

This event is an excellent opportunity to showcase your products and services to everyone from the machinists and supervisors to the owners and professional managers of companies who produce precision machined products as well as other items like stampings and forged parts.

**Space is limited and we expect to sell all exhibitor space.
Don't delay in registering!**

Tables will be reserved on a first-come, first-served basis at the time payment is received.
