Come and tour a first class brass mill and a fellow PMPA member. Whether you machine brass or not, the tour will definitely be of interest to member companies for a variety of interesting processes that will be on display.

Mueller Brass Company is a world class producer of brass rod products for machining, thread rolling, and forging applications. With two state-of-the-art facilities, Mueller Brass Company is a low cost producer of a wide range of leaded and non-leaded alloy brass rod in rounds, hexagons, and squares; along with special shapes and profiles, to meet our customers' unique and specialized requirements.

Since its beginnings in Port Huron, MI in 1917, Mueller Metals Company, and later becoming Mueller Brass Company, was driven to emerge victorious as an industry leader through the development and introduction of innovative solutions. From the original "Red Tip" Extruded and Drawn Brass Rod and Bars to the newly developed EcoStream(TM) lead free and low leaded brass alloys, Mueller Brass Company remains the steward of the US Brass Rod Industry.

Who Should Attend: This plant tour will be of particular interest to your foremen, engineers, estimators and production personnel. Bring these folks to what promises to be a very interesting and worthwhile afternoon.

Cordially,

PMPA Western Michigan Officers

Timothy L. Halladay, Chairman	H & R Screw Machine Products, Inc.
Ken O'Brien, Vice-Chairman	Kalkaska Screw Products, Inc.
