

Matrix Design Tour

DATE: Wednesday, November 14, 2018

SPEAKER: Patrick Bertsche, President

LOCATION: **Matrix Design, LLC**
1361 Schiferl Road
Bartlett, IL 60103

SCHEDULE: 5:30 pm – Refreshments, Hors d’oeuvres & Networking
6:00 pm – Guided tours through facility
6:30 pm – Presentation

COST: No Charge

Speaker:

Patrick Bertsche, President of Matrix Design and past VP of Operations at Camcraft, Inc. will share his journey of automating Camcraft’s secondary operations first working with Matrix as a supplier and now as the President of Matrix, and how they are transforming manufacturing operations with proven solutions producing significant return on investment results. You’ll learn how others are justifying automation projects, the elements of successful automation projects and see examples of current projects in production.

Who Should Attend:

This meeting will be of particular interest to Owners, Upper Management, Manufacturing Engineering Managers and Plant Managers.
