*Limit 2 attendees per company*

**Limited Availability:** This is a first come first served offer. **Deadline to Register: May 31**

ZPS America has announced that they have **8 openings** in their upcoming CNC training seminar - "Operation and Troubleshooting CNC Machines." This training also covers Euroturn machines. The seminar will take place on Tuesday-Wednesday, June 4-5. Each day will run from 8:30am – 4:30pm. Breakfast, Lunch, and Dinner will be provided.

The training seminar is a hands-on class that combines both classroom and in-shop training. Attendees will run CNC machines to immediately translate what they learned in class to the shop. Additionally, all participants will be introduced to the basics of repairing machinery and will be guided through the general steps of a successful maintenance program.

**Who Should Attend:** The seminar is for beginners and intermediate operators, setters, and maintenance technicians. All attendees will receive a training manual and a certificate upon their successful completion of the course.
