Limit 2 attendees per company

Limited Availability: This is a first come first served offer. **Deadline to Register: June 5**

ZPS America is offering **8 openings** in their upcoming CAM training seminar - "Operation and Troubleshooting CAM Machines." This training also covers Euroturn machines. The seminar will take place on Tuesday-Wednesday, June 11-12. Each day will run from 8:30am – 4:30pm. Breakfast, Lunch, and Dinner will be provided.

The training seminar is a hands-on class that combines both classroom and in-shop training. Attendees will run CAM machines to immediately translate what they learned in class to the shop. Additionally, all participants will be introduced to the basics of repairing machinery and will be guided through the general steps of a successful maintenance program.

Who Should Attend: The seminar is for beginners and intermediate operators, setters, and maintenance technicians. All attendees will receive a training manual and a certificate upon their successful completion of the course.
